

Notice of Property Tax Increase

The Rome City Commission announces its intention to hold a Public Hearing concerning the proposed 2025 tax millage rate at the City Commission meeting on Monday, July 14th, 2025 at 6:30 p.m. at City Hall, 601 Broad Street. The proposed combined rates for the City Government and City Schools of 26.25 will result in no increase of the millage rate from the prior year but will be an increase of 2.7% (.69) over the calculated rollback rate of 25.56 for City M&O, City Capital, and School tax. The final rate is still to be determined and that rate is planned to be adopted July 28th. The estimated City and City School tax for a property with a current market value of \$250,000 would be \$2,625 in 2025. At the 2025 roll back rate, the estimated tax would be \$2,556. For a property with a current market value of \$175,000, the proposed 2025 rate of 26.25 would result in a tax amount of \$1,838 compared to the rollback rate of 25.56 which results in a tax amount of \$1,789, a 2.7% increase. If a homestead exemption or school tax exemption applies to your property, a deduction will apply based on your specific circumstances. All concerned citizens are invited to the public hearing on Monday, July 14th. Additional Public Hearings will be held on Thursday, July 24th at 10 a.m. and Monday, July 28th at 6:30 p.m.
